Spring 2015

Prince George Golf & Curling Club is one of the most respected and most diversified Clubs in British Columbia.

Among the facilities and services the Club offers are: a well manicured 18 hole golf course with pro shop, club storage, short game practice area, power carts (although the course is very walk-able), club fitting, lessons, a very strong junior program; an 8 sheet curling rink, locker and shower facilities.

The fully licensed clubhouse with a dining room, patio, and 2 banquet/meeting rooms is currently leased to a 3rd Party Operator and is named "Fore Bistro & Patio".

The sports center concept is supported by the on-site inclusion of the PG Tennis Club and the OVERhang Climbing Gym.

Prince George G&CC is open to all golf and curling participants and offers reciprocal benefits with tennis and climbing clubs.

The clubhouse amenities, including Fore Bistro & Patio are available to all members of the community.

The Club does, however, offer memberships. A detailed list of member benefits is included.

It is the intention of staff to take the Club to the highest level of service for the enjoyment of all participants.

We hope to see you in the very near future.
