

# **GOLF LESSON PROTOCOLS**

**Based on the PGA of Canada Recommendations**

**(updated on May 14, 2020)**

- Individual and semi-private lessons will be offered as long as physical distancing and disinfecting procedures are followed;
- Hand sanitizer and wipes will be available;
- Training tools will be thoroughly disinfected between lessons;
- Instructors will avoid handling equipment belonging to the student;
- All students must have their own equipment;
- Use of an alignment stick (or similar item) will be used to help with player positioning;
- The instructor will handle the golf balls before the lesson on the driving range and on the chipping green;
- Safety protocols will be communicated in advance of the lesson;
- Non-medical grade masks are encouraged;
- Payments can be made in the ProShop using credit or debit or e-transfer directly to the instructor.
