Women's Hole-by-Hole Maximum Score for Handicap Purposes (Adjustment)

For a player with an established Handicap Index, the maximum score for each hole played is limited to a net double bogey, calculated as follows:

Par of the Hole + 2 strokes + Any handicap stroke(s) that the player receives on that hole

How to use:

1. Go down the left hand column to find your handicap for the round played (3 pages)
2. Follow across the row for that handicap to see the maximum score hole-by-hole.
3. Reduce any scores that are above the maximum, and adjust the gross score by the required # of strokes,
4. Enter that adjusted score into the Handicap system.

Alternatively, you may enter your score into the Handicap system using the "Hole-by-Hole" option rather than enter by "Gross Score".
