

Hello Curlers

The Prince George Golf and Curling Club has partnered with the BC Amateur Sport Fund to raise funds to benefit the Prince George Curling Club Development project. The BC Amateur Sport Fund is the BC chapter of the Canadian Council of Provincial & Territorial Sport Federations, a Registered Canadian Amateur Athletics Association with charitable status.

If you are eligible to receive a refund for the unused portion of your curling fees but you would like to instead donate them to the BC Amateur Sport Fund to benefit our Club Development Project you may receive a tax receipt for your gift.

The amounts donated to BCASF will be used towards the Club's operations and minor equipment purchases – your support, and the support of others in the community, will help the Club to continue offering quality programming that offers opportunities for everyone to participate in amateur sport for recreation, socializing, and competition. Tax receipts will be issued to donors once the Club has forwarded amounts collected and the required donor forms to BCASF. Supporters are also able to make a donation online at

[Curling Donation Information](#)

If you would like to donate your fees, but you do not want a tax receipt, the money will simply stay with your club.

Many thanks to all of you who are considering this process!
