

Hello Golfers

The Prince George Golf and Curling Club has partnered with the BC Amateur Sport Fund to raise funds to benefit the Prince George Golf Club Driving Range Upgrade project. The BC Amateur Sport Fund is the BC chapter of the Canadian Council of Provincial & Territorial Sport Federations, a Registered Canadian Amateur Athletics Association with charitable status.

The amounts donated to BCASF will be used towards the Club's upgrade of the current driving range facilities – your support, and the support of others in the community, will help the Club to continue offering quality programming and offer opportunities for everyone to participate in amateur sport for recreation, socializing, and competition. You can donate at the club where you will be required to fill out a donor form. Tax receipts will be issued to donors once the club has forwarded amounts collected and the required donor forms to BCASF. Supporters are also able to make a donation online at
