Our summer golf season is in full swing and I would like to remind club members of the restricted tee times set aside for those who paid their seasonal green fees.

Saturdays and Sundays are reserved for season members up till one o'clock and men members only from 12:00 to 6:30 on Wednesdays.

Out of town guests are permitted on these times but not Club members or friends from town.

We have eased off on lessons now so we should be able to help you if you have any problems with your golf game, just give us a call.

Our new supply of men's and ladies shirts should be here by mid July and we apologize for the ladies shoes being in short supply. Expect those to be here by the first week of July also.

If you wish to try out some new clubs, we have several demo sets available, the new Pin Eye II's as well as the new Lynx Parralex. They are there for you to try.

Thanks Brad Kutyn and your staff for bringing back the golf course after the bad winter a year ago.

We have had some great comments from visitors who also played last year.

Have lots of pars and birdies.

The President

On June 11th, 1987, The Board of Directors accepted with regret, the resignation of our General Manager, Ethel Neal.

Ethel and her husband are moving to the lower mainland in August, and therefore the Board is in the process of searching for a new General Manager.

The Gerry Carmichael Memorial Tournament

Congratulations to Joleen Coster and Rose Biddle low net winners of the 1987 Tournament and to runners-up Ami Ali and Millie Allen. Low gross winners were Sheri Senum and Pat Sweet who returned from a short visit to Prince Rupert in time to join us and combine their talents to shoot a fine 78. Runners-up were Georgie Cleland and Barbara Guest. Eighty-one (81) ladies played in the tournament, in brilliant sunshine under the bluest skies. It is a wonderful tribute to our dear friend and golfing companion, the late Gerry Carmichael, that so many of our ladies participate in this event.

We applaud and thank all of you.

**Maureen Pretty, Georgie Cleland
and Barbara Guest**

From the Superintendent

Presently a number of cutting changes are being made to the golf course. The fringes on holes No. 1, No. 6, No. 9, No. 10, No. 11, No. 15, and No. 18 are being reduced to one mower width around the green. One mower width is approximately 6 feet. In the past, the fringe extended out around the sand-traps on these holes. The reason the fringes are being altered is two fold. First is that grass cut at 2 inches develops a deeper root system promoting healthier turf which can tolerate more wear caused by traffic. Second is that sand and small stones from the traps is very hard on the reel mower greatly increasing the amount of maintenance required by the machine used to cut fringes. By allowing the grass to grow to a height of 2 inches, the sand and small stones fall between the blades of grass thus not affecting the reel mowers.

Cutting changes are also being made to the fairways on holes No. 1, No. 2, No. 6, No. 9, No. 11, No. 16, and No. 18. The landing area is being increased to approximately 40 yards in width from approximately 30 yards. The landing area starts at approximately 200 yards and will extend to approximately 250 yards. On holes No. 9, No. 16, and No. 18 the fairway from 250 to 270 has been reduced to 25 yards in width.

These cutting changes have been made to increase the amount on contour we have in our fairway and improve the aesthetics of the golf course. The larger landing area also promotes the concept of target golf where placement of the ball at a desired location is rewarded by having a larger area cut as fairway to receive the ball.

The white dotted lines that you may have noticed on the golf course represent the new edge of the fairway. The lines were put in place so that my crew knows exactly where the edge of the fairway is going to be so that each area can be cut at the desired height with the desired machine.

Golf & Curling Superintendent

Twilite Mixer

On Saturday, June 13th, 70 people came out and had an enjoyable, funny, and at times—frustrating game of golf.

Names were pulled out of a hat for the draw and everyone got to play with and know people they may otherwise not have the opportunity to.

The golf was capped with a dinner of barbequed chicken and salads. The evening seemed to be enjoyed by all—even the weatherman co-operated!

Hopefully we will have another "Twilite Mixer" in July—maybe this time a Scotch 4-Ball?

Thanks to Doug and his staff for a good meal and Lorne and Anita McDonald for their help in organizing.

The Ladies Simon Fraser Open

Plans are well underway for our 1987 tournament, which is sponsored this year by Nicholson Chev Olds. The dates are August 8th and 9th, entry fee is \$47.00, and \$52.00 for the "Silver Belle" Section (ladies 50 and over).

There will be a practice round on Friday, August 7th, with registration at 7:00 p.m., followed by our traditional wine and cheese reception hosted this year by International Potter Distilling. Back by popular demand will be the steak barbeque on Saturday evening.

The Junior Girls are invited to enter The Simon this year and will be required to pay the \$47.00 entry fee. There will be no separate tournament within The Simon for them.

As explained earlier, the Golf Committee is endeavouring to standardize all major golf tournaments, and has asked that we change our format on a trial basis, to designated prizes instead of "pick of the table". We are also attempting to purchase the same prize for the same winner of each flight. This method makes prize selection much easier for the people purchasing and will certainly accelerate the prize presentation on Sunday afternoon, when out of town guests are anxious to leave. The other change in our format will also be with the prizes. We have five flights and each flight will have:

- One 36 hole low gross winner
- Five 36 hole low net winners

Instead of:

- One 36 hole low gross winner
- Five low gross for Saturday & five low gross for Sunday
- Five low net for Saturday & five low net for Sunday

This method will greatly simplify and speed up the scoring process—the number of prizes distributed will be the same as in previous years.

I feel these excellent and timely suggestions will streamline our tournament, and have therefore agreed to cooperate with the Golf Committee this year. If I'm wrong and they are found to be unsuitable and ineffective to our needs, next year's Chairman should feel free to make further adjustments.

Thanks so far to Nicholson Chev Olds, International Potter Distilling, The Citizen, CJCI, Al Wells, Barb Guest, Georgie Cleland and Jessie Cunliffe.

I'm looking forward to seeing most of the local ladies in the tournament—please have your entries in by August 1st or MUCH sooner if possible—Ethel's desk is piling up with our bills! Entry forms are available at the office.

1987 Chairman

Mens' Simon on Track For '87

The 1987 Mens' Simon Fraser Amateur Golf Tournament is slated for August 14, 15 & 16, 1987. Plans have been underway for several months now and everything is starting to fall in its proper place.

I am very happy to have all but one of last years committee back from the successful 1986 version and they tell me we can and will do better this year.

On the prize committee we have Clem Frechette, Larry Readman and Phil Ramage. They will be arranging the hole-in-one donations, filling the grab bag and a new venture this year. It has been decided to "sell" each hole to a sponsor. The money will be added to the prize pot and an extra two or three places will be eligible for prizes in each flight. Each sponsor will have a sign painted and erected on "his" hole.

The Marshals will be organized by Mel Wenshlag and the rules will be interpreted by Findlay Young and Dave McGrath who will assist with the draws.

And the ladies, under the leadership of Noreen Delisle, have again offered their invaluable assistance with the registration, starting and scoring for the tournament.

The entry fee has been raised to \$80 to help cover increased costs and it should be noted that there will be **no registration allowed on the day of the tournament**. Any player not registered before Friday will be given a 0 handicap for the tournament. The registration desk will be open on Wednesday, August 12 from 7 p.m. til 9 p.m. and again on Thursday, August 13 from noon til 10 p.m. Our office will be on the main floor directly beside the general office.

Get your entry in soon if you are going to play as we already have entries coming in from out of town.

The Juniors Are Coming Welcome to Prince George Boys

The B.C. Junior Championship is the Premier Golf Tournament for Junior boys in our Province. The winner will receive the **Gordon Bowers Trophy** emblematic of his supremacy over his peers. This trophy was donated by Mr. Gordon Bowers in 1949, during his term as President of the B.C.G.A. There will also be a 4 man Club team competition and they will be competing for the **Avery Team Trophy** over the first 36 holes. Each member of the winning team receives a trophy and a prize.

Each Zone will be represented by a 4 man team and they also will compete over the first 36 holes for the **Ken Alexander Trophy** and again the members of the winning Zone team will receive a trophy and prize. Mr. Ken Alexander is an honorary director of the B.C.G.A. from Nanaimo and a very ardent golfer himself, his contribution to B.C. Golf has been tremendous over the years. The winning Juvenile—17 years or under—will receive the B.C.G.A. Juvenile Trophy. There will be a Long Drive Competition on Tuesday at approximately 6:30 on the First Tee—members playing at this time are asked to start at #3 and finish 1 & 2 later.

The team prize presentations will be held on Wednesday July 8, 1987 in the early afternoon.

There will be a barbeque for all contestants following the presentations.

Final ceremony and presentations will take place approximately 1 hour after the last putt has been holed on Friday, July 10, 1987.

Good luck to all—to our members and friends come out and see all our future **"Big Jacks"**.

B.C.G.A. Director

Georgian Contest

Congratulations to Mr. Philip Conlin who found his number in the June issue of the Georgian. He won dinner for two in the Dining Room. If you find your number hidden somewhere in the Georgian give Ethel or Doug a call at 563-0357.

Games Room

A big round of thanks goes to Jack Leask, Ed Goodkey and Sam Ramsay for recovering the Pool Table in the Games Room. All members are reminded to keep all food and beverages away from the pool table.

1987 Seniors Tournament

July 18 - 19, 1987

- \$50.00 per person
- 50 years over
- Practice Round—Friday, July 17, 1987
- Extra banquet tickets—\$14.00

This year's tournament will be in flights so as to give everyone a reasonable opportunity of sharing in the spoils. The low handicap players, of course, will be in the Championship Flight and from that group one would expect to find the Low Gross Winner of our Senior Tournament.

Tournament Format

1. Traditionally, the Prince George Seniors Tournament has endeavored to acknowledge all levels of the game, hence our tournament will recognize two champions—the Low Gross Winner and the Low Net Winner. We would anticipate the Low Gross scores to be achieved in the Championship flight; accordingly, in this flight a reasonable mix of low gross and low net prizes will be awarded on a low net basis.
2. Senior "Senior" Golfers - "65"
Senior "Senior" Golfers will have their own tournament within the flights; hence these gentlemen will be playing in two tournaments, their own and the general tournament. In the Senior "Senior" Golfers tournament there will be a reasonable mixture of low gross and low net prizes.

Tournament Rules

1. R.C.G.A. rules will apply throughout the tournament.
 2. Local rules as found on the back of scorecards apply.
- Summer rules apply throughout the tournament (ball to be played where it lies).

Junior Golf Report

PLEASE NOTE:

The Mini Masters Golf Tournament scheduled for July 4 has now been changed to July 25th for a couple of reasons. Up to date, June 17, only 8 juniors had signed up. Also because of conflict with the B.C. Junior Golf Tournament for the week of July 9th.

Tobin Senum has accepted the position of Junior Boys Club Captain and I'm looking forward to working with him and any questions concerning rules or scheduled events please feel free to discuss with Tobin or myself.

The Parent/Child Golf Tournament is scheduled for later in-to August and I'll keep you all posted on this tournament.

Congratulations to the top 8 junior golfers who qualified for the Junior Club Championship Match Play.

A special thanks goes out to Mr. Derrick Anderton for his generous support and sponsorship of the Mini Masters Golf Tournament.

The Club Historian

In case you haven't already heard, our Club now has a historian who is currently working on compiling any information on the history of curling in the Club.

I would greatly appreciate hearing from anyone who can supply information. For example: newspaper clippings, photographs, etc. All items will be quickly returned to you in the same condition in which they were given. I am attempting to make copies of all items forwarded to me.

The information that I'm hoping to obtain spans the years from the early 1900's to last year's curling season. So far there are large gaps in every year, including the most recent, so any contributions, no matter how small, will be of great assistance.

I'm also looking for volunteers who would be interested in helping me in various capacities with this project.

Anyone wishing to contact me, please phone Dave Johnston at 962-6679 or leave a message with the office at the Club itself. I also have a box at the Club if you'd care to drop off any items directly there. (Please include your name and phone number to ensure that all contributions are returned to their proper owners.)

Tournament Ends

The final running of the Harold Pretty Mixed Tournament was played here at the course, Saturday, June 6th. The Tournament has been played for the last 21 years, starting in 1966 as a Ladies versus Men Tournament. In 1978 the format was changed to a Two Ball with partners taking alternate shots and the Ladies teeing off on the even holes and men on the odd holes. As it proved popular it is hoped that this type of play will continue as a future event. The family, Alan, Kathy, Patti, together with Maureen and myself wish to thank all the members who have supported the tournament over the years and we congratulate all the various winners. Maureen and I were given a most welcome surprise when it was arranged to have our daughter Patti flown up from Vancouver to take part in this last tournament. It has indeed been our pleasure to sponsor this event over the years.

Evening Ladies Golf

July already! Time flies when we're having fun—right girls

June has been a busy month. We have three tournaments under way—Lad Construction, Medalist—Betty Ann Buse; Captain's Cup, Medalist—Sheri Senum; Inland Natural Gas, Medalist—Hilda Kolman. Matches are being played fast and furious.

We've completed six of our ten scheduled C.L.G.A. Monthly Medal rounds. Our May spoon winner was Marilyn Chappel with a net 75. Our June spoon winner was Diane Coole with a net 73.

Our Summer Games rounds have been completed and although we're still waiting for the final word in District 9's team, the preliminary list is out and Prince George should be well represented. Good luck ladies and we'll all be cheering for you on July 23 - 26 as you're ""swing-ing"" in Delta.

On May 26, we held our second Dorothy Olive Franklin Memorial, a provincial event to sponsor a junior golfer to either a national or international competition. We had 27 ladies compete. Suman Kashyap was our winner so her score has been sent to Vancouver to be compared with winners from other clubs to determine the provincial winner.

As you know, the two qualifying rounds of our Club Championship have been completed, congratulations to all who qualified. Keep your eyes on the board in the ladies lounge and follow the competition!

Congratulations also to the winners of the Gerry Carmichael Memorial tournament—Rose Biddle and Jolene Coster with a net 62 and Amy Ali and Millie Allen with a net 62. The gross winners were Sheri Senum and Pat Sweet with 78 and Georgie Cleland and Barb Guest with 83.

On July 7th, the Day Ladies are invited to join us. Tee off time starting at 3:00, as the B.C. Junior Championship is being played during that week.
