From Your Professional

Here we are again chomping at the bit waiting for the last of the snow to clear in order for us to set foot on our Golf Course. Your Golf Shop will be open every day and we will be ready to answer all your questions for the upcoming season. I have recently attended the finest Golf Teaching School exclusively to Golf Professionals and can only say how excited I am to get started this year. I have taken my staff over this course and they will be teaching the same way so our techniques will all be the same. The course took years to prepare; by one of Canada's best ever Tour Professionals George Knudson and one of Canada's top teaching Professionals, Jack McLaughlin. It is a very good program for the beginner right through to the top players. We will be offering this to members only at first as a total package. You will receive one lesson a week from April 15th til August 15th, each lesson will include video if you wish, and the use of the range for the entire Golf Season. This package will cost \$200 and we know it is well worth it.

We will be having our Junior Clinics again this year in May, please see next months Georgian for details. As an extra this year we will be introducing the Junior-Junior Program for children aged four to eleven. They will receive a tee shirt and hat upon registration, the lessons and program is no charge. Please watch next months Georgian for details.

We all look forward to seeing you soon and if you are interested in the lesson package please call early as we are offering this to the Memberships first. Good golfing!

Dave McGrath

From The Ice Maker

The curling season is fast drawing to a close and I would like to thank my staff for a job well done. Dean, Wes, and John your hard work and dedication make my job a lot easier. So thanks again guys, your hard work has not gone unnoticed.

Murray Kutyn
Ice Maker

From the Superintendent

Work has begun on the Golf Course and first observations of its condition look good. A snow cover of 6½" was removed from the greens revealing little ice build-up, a problem which has plagued us for the past two years. Nine of the greens have been covered with synthetic tarps. These covers are intended to help warm the ground and when temperatures of 50-60 degrees F are reached, spring green-up should be greatly enhanced. Opening day is not far off, however the exact date depends entirely on the type of weather we receive over the next couple of weeks. Hopefully sunshine and above normal temperatures will dominate not only the month of April, but the entire summer of 1988.

Wes Petkau

Golfers Post Dated Cheque Plan

We have a Golf Dues Installment Plan set up again this year for anyone registering by April 8th, 1988. For a mere \$20 service fee we can make it easier for you to pay your Golf Dues.

See Brad Kutyn or Debi Damel or give them a call at 563-0357.

Golf Committee

The Club is presently having new score cards printed for the up-coming Golf Season. The cards will feature a different format with a few changes being implemented on the card. Under Local Rules the following changes have been made:

- 1) **WATER HAZARDS** - Creek in front of #16 and the pond on #3 are water hazards.
- 2) **FREE LIFT** - Paths, roadways, that are asphalt or limestone and flowerbeds. Drop nearest relief not nearer hole-one club length no penalty.
- 3) **FENCE** - When playing #7, where a player's swing or stance are interfered with by the fence along side #7 green, a player may elect to drop his/her ball in the drop area provided or proceed under the rules of golf.

The Golf Course was rated in 1987 and the Men's yardages have been changed. As a result, the following is a list of the new yardages:

No. 1 - 448	No. 2 - 467	No. 3 - 203
No. 4 - 466	No. 5 - 177	No. 6 - 359
No. 7 - 368	No. 8 - 315	No. 9 - 528
		Out - 3331
No. 10 - 167	No. 11 - 353	No. 12 - 188
No. 13 - 387	No. 14 - 155	No. 15 - 380
No. 16 - 496	No. 17 - 345	No. 18 - 510
		Out - 2981

A change has also been made to the handicap holes, #3 was the 7th handicap hole and #9 was the 5th handicap hole. These have been interchanged making #3 the 5th and #9 the 7th handicap hole on the new score cards. The Golf Season is rapidly approaching and hopefully by the time you read this article the course will be very close to opening.
