## From the President

A large number of concerns have been expressed by the Membership at large over the recent increase in Locker Rentals from \$40.00 to \$60.00. The rate change was approved at the Board of Directors meeting held on February 16, 1989. The Board may have been a little remiss in not communicating to the Membership the reasons behind the increase, before it was implemented.

The Ladies Locker Room over the past 6 to 8 months has undergone some major renovations. The Sauna has been removed, the area painted, new carpet installed, a new counter built, new bulletin boards installed and the construction of a new wall by the showers is in progress. Yet to be completed is the furnishing of the Locker Room with materials that fit with the new decor.

The House Committee also has plans to redecorate the Men's Locker Room. A Draftsman has assessed our present Locker Room facilities trying to utilize the space to the best advantage. He has proposed that we remove the Sauna and relocate the Handicap Counter in a different location. With this done and the Lockers rearranged an additional 34 Lockers can be provided in the space we have available.

Renovations would include painting the Locker Room, installation of new carpet, purchasing 34 new Lockers and the upgrading of the furnishings. With the renovations complete we would have a Locker Room to be proud of, not the threadbare maze we presently have.

Renovations to the Ladies Locker Room have cost approximately \$3,500 with new furnishings yet to be provided. The cost of renovations to the Men's Locker Room plus 34 new Lockers will run approximately \$15,000. The increase in the Locker Rental Fee was implemented to offset some of these improvement costs.

We as a Board apologize for the lack of communication in this regard. We trust that in light of the information contained in this article you can justify the Locker Rental increase.

President

## From the Golf Committee

A review of the procedures followed when booking Tee Times during the winter has led to a number of changes for the 1989 Season. The major changes are as follows:

1. Members will have 3 day (72 hour) booking privileges
2. Non-Members will have 2 day (48 hour) booking privileges but cannot book during restricted periods
3. Bookings on the Draw System will follow the same format but the Draw will be made Tuesday night rather than Thursday morning

These changes were made to try and utilize our course to full advantage, by accommodating our Members yet increasing golf revenues by allowing non-members to book and play during non-prime times. As a result of the increased revenue, the rates charged to Members will only have to increase moderately to maintain and improve our golf course.

Included in this month's Georgian are the detailed procedures for dues paying Members booking tee times as well as the procedures for booking times on the draw system. We trust that you will familiarize yourself with the new procedures and that they have the desired effect of increasing participation in the great game we all love.

Golf Director

## From the Pro

I am sure by the time this report is out we will have started golfing. My sincere thank you to my wife Monica and Pat Burnside for staging such a fine fashion show on such short notice. This looks to me like an annual event. Also thanks to the models and my staff for their volunteer work.

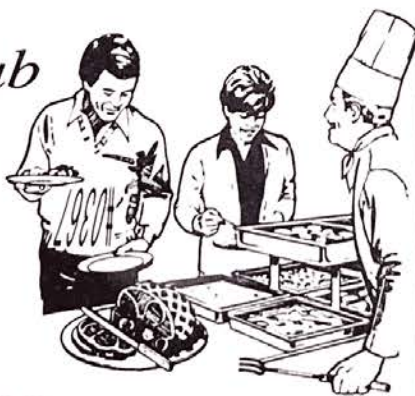

The Junior Clinics will start the first two weeks of June, so please stay tuned to next month's Georgian. This year we will have a registration fee of \$15.00 per junior and it will include four one hour lessons. We will also be running a Junior Clinic later on in the season for kids 4 years old to 10 years old. These were a great success and I look forward to them again.

We will be featuring men's slacks this month and the cost of the slacks will include the tailoring. We will try to have them ready the next day so keep us in mind the next time you need slacks for dress or casual.

## From the Superintendent

A bit of a late start due to all the snow we received this winter, but we're finally open and I would like to thank everyone for waiting patiently. The extra week of leaving the Greens covered has in past years ensured good playing conditions for the remainder of the Season. Our scheduled work on course improvements this year should not interfere with daily Golf activities. The list includes finishing the retaining wall around #3 pond, working on the new green for #17 and starting work on the new number 10, 11, and 12 holes. A small holding pond will be constructed in front of #16 green sometime later this fall.

Our cutting heights for the start of the year are as follows:

1. Greens at 1/4 inch
2. Tees at 9/16 inch
3. Fringes and Fairways at 3/4 inch
4. Rough at 1 3/4 inch

Some heights will be lowered slightly as damaged areas on the Course fill in so let's hope the weather stays good and the Course recovers quickly so that everyone can have a great summer of Golf.

## From the Club Captain

Well, hopefully golf season is now on the way. It has been a long winter for all of us. I certainly welcome the opportunity to be your Club Captain this year. I have the distinct pleasure of having great people to work with me on the committee this year. These people are Findlay Young, Al Wells, Drew Anderson and Bob Law. We also have had some people volunteer their time to run some of our major tournaments. The Simon Fraser will be handled by Tom Burnside, Manager of the TD Bank and Jack Graham, Husky Oil Marketing Manager. The Seniors by Del Peterson, Manager of Bank of Nova Scotia, assisted by Lyle Rogers, retired Principal.

We have an exciting year planned. There have been some changes concerning the Club Championships this year. It seems, year after year we hear complaints about matches not getting played due to holidays etc. It is always left for someone to decide who should advance if the matches don't get done. This year we will have the matches completed in 3 weeks from start to finish during a time when few people are on holidays. The Medal Play Championship will be totally separate again this year. It will be played in conjunction with the ladies and the junior championships on what we have termed "The Weekend of Champions". With all of our committees working hand in hand I think this will be a great weekend for the entire family. There will be more details to follow.

As with any committee or organization, volunteers are always needed. Our feeling is the more people that are involved the more fun it will be, as well as not one person will be saddled with doing everything. I would like to thank all the people who have volunteered so far and ask everyone who is interested to jump on the bandwagon to come out and have some fun.

Thank you and good golfing!

Rob Laing
