## From the Icemaker

With the 1990-91 Curling Season off to a busy start, I would like to take this time to run a series of articles explaining how our curling ice is made and maintained. This first article will cover compressor start-up and preparation for flooding.

### Compressor Start-up & Preparation for Flooding

We first start by sweeping and mopping the floors, resetting the dividers and setting the unit heaters to a temperature of 38° F.

The compressors, constituting two six cylinder mycoms in the new building and one eight cylinder in the Annex, are serviced over the summer months to ensure a trouble-free start in the fall. They were started on September 20th; it usually takes three to five days (depending on outside temperatures) to cool down the brine running through the floor to a temperature of 18° F.

Once this is done, we are ready to set center pins and hacks. These are set in place and each sheet is sealed with a fine spray of water until we have accumulated approximately ¼ inch of ice over the entire surface. This is usually accomplished after six coats. We are now ready to begin flooding, which will be covered in next month's *Georgian*.

## Junior Men's Championship

The Prince George Golf and Curling Club was well represented at the Junior Men's Championship held at Shadow Ridge Golf Club on August 28 & 29, 1990.

**CHAMPION:** Cal Benazic  
with a score of 157

**CLUB TEAM** David Barr, Marc St. Arnault, David  
**CHAMPIONS:** Botham, and Cal Benazic with a score  
of 486

Congratulations to all of you.

## From the Superintendent

A number of construction projects have been completed over the past year.

The renovations made caused very little inconvenience to golfers and serious thanks should be given to Murray Kutyn and Glen Carlson for the many overtime hours needed to satisfactorily complete these projects on time.

Thanks also to Gordon Fitzer and Finning Tractor for the generosity and patience they've shown in regards to the use of their loader.

**Wes Petkau**  
Golf Course Superintendent

## Scots Cup 1990

It really is amazing how an image can change — in the early days of the Scots Cup we had to wear our woolies and toques and not everyone would finish. Here we are, third year in a row with Riviera weather, a magnificent turnout of 128 — a new record: thank you very much — and a golf course in superb condition — and a great big thank you to Wes Petkau and his crew.

We also want to thank Dave and Monica McGrath for their help and generous support of our tournament over the years. We wish them both good health, good luck and *Lang Mae Yer Lum Reek*.

To Marj Niehaus and Nancy — 'tis a far better thing I do — and I couldn't do without your help: many, many thanks.

The winners were:

**1st - Scots Cup** - Tankards and tartan scarfs

Rick Sambad, Edna Bowd, Ziggy Zimmerman and Rudy Pesserl

**2nd** - Findlay Young, Pat Huber, Ann Millette, Ron Madill

**3rd** - Don Williamson, Donna Dorish, Phyllis Parker, Bud Baldwin

**4th** - Phil Ramage, Alanna Peterson, Marj Niehaus, Mac MacDougall

**5th** - Pram Kashyap, Brenda Tretiak, Colin Jolly, Bob Cleland

**1st Low Gross** - Jim Sadowsky, Gerry "One Putt" Faulder, Lou Dorian, Wes "Champ" Walker

**Best Dressed** - Gwen Labas, Georgie Cleland, Phyllis Parker, Mary Germaniuk

Thank you to all participants, Brad, Gloria, Marilyn, Rod and Lee. See you in 1991.

Yours Truly,  
Findlay S. Young

## Men's Night

Great Year! Hope everyone had a good time. The weather, shape of the course and the turnouts made it all happen. We averaged 171 men per night. A low of 108 and a high of 214.

## HOUSE RULES for all "House" Leagues

Revised 1988

2. A curler who curls in any one of the house leagues in our Club can spare at any time (social spare), but **MUST** play LEAD.
3. (a) Ladies may not spare in Men's leagues.  
(b) Men may not spare in Ladies' leagues.
4. No person is allowed on the ice with street shoes or boots.
5. In Club curling, when curling with three players, Lead and Second must throw **THREE** rocks each.
6. In Mixed curling, Ladies and Men **MUST** play alternate positions. Man or Lady may skip (in the event that you play with three players only, you can curl your regular positions).
7. (a) Men's and Ladies' Leagues - All games will be eight (8) ends.  
(b) Mixed Leagues - All games will be eight (8) ends in length.  
(All early draws will be played with a bell during regular league play.)
8. Ensure that the ice is cleaned after **EVERY** draw. **WINNERS** are responsible for cleaning the ice.

Any violation of these rules could result in a game forfeit. If you are aware of a violation prior to commencement of play, same should be resolved at that time. However, a written protest can be made within one week of the alleged violation (i.e., protest must be made prior to the same draw in the following week) to the Curling Committee.

Note: C.C.A. or C.L.C.A. Rules apply to all **BONSPIELS** and **PLAYDOWNS**.

### BELL RULE

When the bell rings you finish the end you are on plus one more. However, an end does not begin until the first rock of an end has been delivered.

### PLEASE KEEP THE ICE SURFACE CLEAN

1. No street shoes allowed on ice surface.
2. **WINNERS** will clean ice.
3. Ensure ice is cleaned after **EVERY** draw.
4. Pull rocks out from the boards, remove foam bumpers, sweeping out ends and corners. Rocks are **NOT** to be removed from ice surface.
5. Clean areas along sides of sheets prior to using mop.
6. Mop to be used over entire ice surface.
7. Take down score - ready for next draw.

**BELLS** - Please ensure that bells are rung when necessary at the proper times, which are posted.

A little time, effort and co-operation will help keep our ice clean.

*THANK YOU, AND GOOD CURLING!*

## Ladies Curling

Hello Again!

Now with the weather turning cooler it really does seem like curling season again. I must say it feels great to be back, but I made the mistake of sparing for my first game of the season. We played with three players and did I ever sweep! Wow!! Now I know how the "front end" must feel when the skip comes up light... \*!#?\*\$! ... Oops!

The response for the name badges has been GREAT! The cost for all Ladies League curlers is \$2.00. The cost for all other league curlers is \$4.00. If your league has not yet received order forms, please contact **Nancy Spensley** at 964-7370. These badges will feature the club logo, in red and blue, on a white background. This is a terrific way for us to get to know each other!

The club roster should be ready by mid-November and the first "50/50 Draw" tickets will be out soon.

Thank you for your support! Remember, let's be *KIND* to our sweepers!

Good Curling!

## 7th Annual Cashspiel

Welcome all curlers to the 1990-91 season!

The Prince George Golf and Curling Club will be hosting the 7th Annual Cashspiel on November 16, 17 and 18.

Total prize money will be \$10,000 plus with \$3,200 to the winner. The entry fee — \$260 per team — has not changed. Entry deadline is November 12, 1990 and entries must be accompanied by a \$100 deposit.

Entries will be limited to 32 teams on a first come basis. Sixteen teams will qualify for the single knockout cash round from a double knockout formula, plus, with a consolation round, every team is guaranteed three games.

The sponsors of the Cashspiel deserve a special thank you. Over 32 local businesses donate cash and prizes year after year, allowing the continuation and success of the Bonspiel. We would ask every member to try and support those sponsors as they are supporting us. We cannot thank them enough.

We could still use some help on the committee in these last few days prior to the Spiel, so if you want to get involved and commit yourself to the success of the Spiel and Club by all means give us a shout!

You'll see some fantastic curling, and everyone is welcome to come out and watch.

Good curling, have fun, and hopefully your weight will suit you to a (the) tee.

**Mel McMillan**  
Cashspiel Chairman

## Club Captain's Report

As our season has now come to an end I would like to thank all the tournament chairmen and their committees for all the time and effort they put in to ensure success in all our tournaments.

I would like to thank Dave Gray and Len Harris for the hard work in trying to build the Junior Program to the lofty heights that it was before, when our juniors were competitive province-wide. The juniors are the future of our club and the game of golf; it is an area we must take seriously, and keep building on.

Also, thanks to Gayle Magrath and the Ladies Committee for their support and assistance in every way.

Our greens were in the worst shape in years and Wes and his crew did a great job in bringing our course into super condition, which was matched by few courses in B.C.

We got great service and co-operation from Brad, Debi and the clubhouse staff which helped our tournaments run more smoothly. Thank you.

A very special thanks to Rob, Findlay and Al for all the guidance and support in making the transition to Club Captain so much easier. Also thanks to all the Club Captain's Committee and volunteers who helped in every way.

We had one of the highest number of men out in B.C. for our Men's nights. Without the time and hard work by Jack MacKenzie and Ron Phillips it would not have been so successful.

Without Rod and Lee's assistance from the Pro Shop a lot of tournaments would not have run so smoothly. Good luck wherever you may be next year, and thanks!

I wish you all a happy and prosperous winter and look forward to the spring and another challenging season.

Yours truly,

**Louis Doyle**  
Club Captain

## Ladies' Golf

Well, ladies, another golf season is over and although the weather was horrible at the start of the year, from July on it was beautiful. I enjoyed my year as captain due to the hard working efforts of my executive.

I would like to thank all of you for a job well done. Best of luck to Rose Biddle and her executive for next year.

Merry Christmas to everyone!

**Mary Germaniuk**
