From the Board of Directors

Attention All Golfers

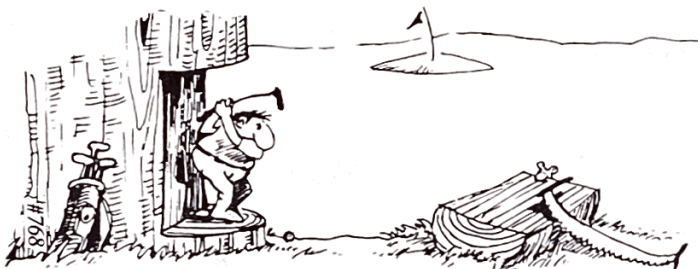

The Golf Committee and Board of Directors would like to inform all golfers that fivesomes are allowed on **Wednesday afternoon only**. This policy was set to try and accommodate the large number of Annual Dues paying men wishing to golf in a very popular event, Men's Night.

Fivesomes are not allowed on the course at any other time. We would ask that all members please abide by this policy. Violations in future could result in letters of reprimand and possible suspension of golfing privileges for those parties involved. The Pro Shop and Course Marshall have been charged with enforcing this policy, and forwarding the names of violators to the appropriate Committees.

We would ask for the co-operation of every member in this regard. There can be no double standards; it is each and every member's responsibility to set an example for the membership at large.

Respectfully submitted,

Golf Committee and
Board of Directors

House Committee

By the time you read this, hopefully, the Lounge and Dining Room renovations will be complete. We know we'll never please everyone, but we hope the majority of you like it. It's like building your first house — you have a pretty good idea what it should look like, but you're never 100 per cent sure of every detail.

With our Special Committee, House committee, the Board of Directors and the help of a professional design group, we feel we've done everything possible to make it something we can all be proud of.

To all our members who do not frequent the club that often in the summertime, please come out and have a look.

Phase II, at a later date, will give us new hallway bathrooms, a new Members' Lounge Area, and a new kitchen.

House Director
