From the Icemaker

Curling ice and rocks, along with you and I, make up the game of curling and depending on the quality of all of the above, the game can be played with more or less enjoyment.

As far as the human aspect goes, we can practice, attend clinics or rent instruction videos to improve our game. The quality of the ice, however, is up to the icemaker and the equipment and the weather conditions he has to work with.

The 40-pound curling rocks can make or break the game, so they should be treated with respect by the staff of every club and cared for properly during the curling season and in the off-season.

In the spring the stones are stored in a dry room, on carpet, and the handles are all loosened. In the fall the handles are turned 180 degrees and the rocks **should** be rotated from the outside sheets to the inside sheets.

In this era of the push broom the ice is much cleaner without the pulp from the corn brooms. We are now faced with keen and *sometimes* very straight ice, which can make it difficult, if not impossible, for an icemaker to produce ice that some rocks will curl on.

Murray Kutyn
Icemaker

From the Superintendent

"Why do you schedule all the maintenance activities on the only day that we play?"

The majority of the maintenance staff works Monday through Friday. We start as early in the morning as possible, so the majority of work can be completed or well under way before play begins. On the weekends, when member play is the highest, we limit our maintenance activities to those that are necessary and get off the course as quickly as possible. While our schedule varies with each climatic condition that changes throughout the year, the staff normally works a forty hour week. It takes many man hours to keep the golf course in the condition you have come to expect. Obviously some of this work needs to occur during playing time. Unfortunately, this cannot be avoided.

Stephen Kerbrat
Course Superintendent

Ladies' Curling

We are well into another curling season and there have been some very interesting games as we all adjust to the new Free Guard Zone rule ("Can I take this rock out??")

Some interesting strategy has also been in evidence as cunning skips try to devise new ways of getting their teams' rocks past the walls of granite that seem to accumulate so quickly in front of the house each end!

By this printing, the Ladies' Fun Night will be but a fond memory. Hope you had a great time!

This year we have 39 ladies' teams curling in 3 leagues (Tuesday Evening, Thursday Morning, Thursday Evening). This is the same number of teams as we had last year.

Your executive for the 1993-94 season is:

President	Sandra Kutyn	563-6939

Evening Ladies Golf — Final Captain's Report

Hello Ladies,

It certainly doesn't seem like five months ago that I was welcoming you to our 1993 Golfing Season!

Those five months were filled with some of the best and worst strokes we'd ever hit, the handicaps went up and down, matches were won and lost, it was an exhilarating year for some and for others the hope that next year will be better.

But, underlying all this, was the job of being out here playing golf on one of the best golf courses in BC, with our friends.

To recap those five months;

We had **83 Evening Ladies** playing this year.

Only once were we rained out and that was the week the course was closed twice because of the torrential rains we'd had.

Our 20 CLGA Rounds were completed by July 20th.

Our monthly Spoon Winners were:

May	Mary Lund
June	Janice Lazzarin
July	Marilyn Chappel
August	Lynne Greenwell

Our 1993 Overall CLGA Pin Round winner is **Janice Lazzarin**, with a 287 total.

The Runnerup is **Barb Boese** with a 288 total.

The Alexander Alexander Ltd. Tournament was won by **Colleen Engstrom**.

The Andy Honeyman was won by **Marilyn Chappel**.

The team of Nettie Price and **Amy Ali** won the Gerry Carmichael.

Kathy Mears was the winner of the Ladies Simon Fraser with **Ivy Sauer** winning the Low Net Shield.

The 1993 Club Champion is **Betty Ann Buse**.

The Low Net Club Champion is **Diane Sweet**.

Congratulations ladies, we're proud of you!

Myrna McAlear was our Dorothy Franklin Oliver winner this year and we collected \$88.00 for the Junior Provincial Team. No one Beat The Champ this year, however we collected \$38.00 for our juniors.

With a -3 differential, we won the privilege of representing our District at the 1993 NCTC. **Janice Lazzarin, Fiona Kerbrat, and Mona Wells** traveled to Point Grey in August to play. From all reports they had a great time. Even if you know you can't go, you should still qualify, as your score could help send your team.

Congratulations to **Mary Germaniuk** on her hole-in-one on #10 this year.

Our only Break Pin winner this year was **Carol Tichelman**, who broke 200 for the first time. Carol is also the recipient of the 1993 Evening Ladies Greatest Handicap Reduction Award. From 35 to a 29, resulting in a 13.33% reduction. Well done, Carol!

Congratulations to the following winners:

Koverall Klassic	Myrna McAlear & Anne Milette
Eleanor Arnold & Gayle Magrath: Runners-up	
Ringer Board	First Flight Betty Ann Buse
	Second Flight Marilyn Benz
	Third Flight Gayle Magrath
	Fourth Flight Louise McCormick
	Fifth Flight Kay Goodkey

Thank you for your willingness to help, your patience, your sense of humour, your friendship and especially for the wonderful memories you've given me this year.

I thoroughly enjoyed being your Captain.

Have a great winter!

Re/Max Centre City Super League

Welcome all curlers to the 1993-1994 curling season. With the new season comes a revamped Super League.

We are very happy to have Re/Max Centre City Realty as our sponsor. Many thanks to Bill Lynch and the crew at Re/Max. Special recognition goes out to Frank Boyle for his work at securing our sponsor. Thanks goes to Labatt Breweries and Jim Dodds for the past support.

Many format and rule changes have helped revive the league back from 18 to 22 games. The most significant change is the adoption of the Three Rock Free Guard Zone, which has already proved to be very popular with high scoring, exciting curling.

The Re/Max Centre City Super League goes every Wednesday night at nine. Come out, support your club and watch our competitive teams prepare for their respective zone, regional and provincial playdowns.
