## General Manager

The Board of Directors are pleased to announce the appointment of Colin Kelly as General Manager. Colin brings with him a background of club management and business management skills. His latest employment was with Rivershore Golf Club in Kamloops. Colin and his family moved to the city on October 1st. Please stop in and meet Colin the next time you're in the club.

## From the Superintendent

With another golf season coming to an end, I would like to thank all the members for their support over the past year. It is greatly appreciated.

We will be aerating the fairways and rough areas in the beginning of October. The greens will be put on temporary greens as the weather cools down and the grass stops growing. Fungicide applications will be applied to the greens. Time of application will be posted on the board by the first tee.

I would like to congratulate our assistant superintendent Glen Carlson on recently becoming a member of the Canadian Golf Superintendents Association.

**Stephen Kerbrat**  
Course Superintendent

## From the Icemaker

The curling rink has a new look but that's not all — it has a new feel as well. You'll notice the higher quality ice surface as soon as you step on it. This is due to the DI water system installed by Withey's at the start of the season. This and the changes to the way we installed the ice this year has been a positive learning experience. John, Ray and I have had a great time doing what can be a draining few weeks. Every day had its challenges and we looked forward to meeting them. The new paint job was fun to put down and despite what I've heard I didn't enjoy the 60s any more than anyone else did. Wait until you see what we have envisioned for next year, possibly tie-dyed rings!! We are looking forward to the start of curling so we can get our maintenance routine down to what we see as a great curling season.

## An Apology

Due to a typographical error in last month's Georgian, the hidden number was omitted. Our apologies to those of you who spent time looking for the number; be sure to look for two hidden numbers in this issue!

## Evening Ladies Golf Report

The end of September brings the close of the 1996 Golf Season, and my term as Captain for the Evening Ladies' Golf Section.

It's been a pretty good year (excluding the lousy weather, of course) due mostly to the expertise and co-operation of my great executive. No organization, club, or committee of any kind can do a good and effective job without the support of the executive members - to them I say "Thank You".

A club also requires the support of the members and, in our case, the wonderful support of our sponsors. Without sponsors we would be very hard-pressed to have the events we have and the wonderful prizes and gifts. In my reports each month I have named the sponsors for the coming month. The list of our 'friends' is too long to list them all again, so, on behalf of all the Evening Ladies I would like to again express our appreciation for your on-going support of our activities. Thank You!

I would like to announce the recipients of our year-end awards who were presented with their trophies and gifts on our last night Tuesday, September 17:

My 'Thanks' go out also to the office staff, who have put up with me getting my report in late for the Georgian just about every month - the middle of the month always seemed to be too early! Thanks to Laurie Pierce and his staff who have helped me with the weekly chore of getting the 'Fun Cans' out on the course each week, getting the ladies' clubs out (sometimes) and assisting the ladies with their 'computer problems' getting their games entered. Thanks to Flo and her staff for the service each week and to Patrick and his chefs for the wonderful food. Thanks to the Concession Booth Staff for the great service and words of encouragement for a 'better back 9' as we complained with regard to the 'front 9'.

I know that everyone will continue to give the Evening Ladies' Golf Section Executive next year, under the expert guidance of Captain Nettie Price, the same support you have all shown me. Nettie has some new faces on her executive and I know they are going to be a big asset to us.

Her Executive is: Captain - Nettie Price, 1st. **NO SPIKES  
ALLOWED!**

Although late in the golf season, it has become apparent that golfers need to be reminded that golf spikes are not allowed to be worn in the Clubhouse. A number of people have fallen in the lobby, risking serious injury to themselves. Spikes are also very damaging to the floor in the lobby.

Please adhere to the signs posted throughout the Clubhouse regarding spikes as they are posted for your safety.

Staff will be asking patrons to remove their shoes if found wearing them in the Clubhouse.

*We would appreciate your co-operation.*

### GENERAL CURLING MEETING

GAMES ROOM

THURSDAY, OCTOBER 24th — 7:00 p.m.

Everyone Welcome!

## CURLERS!

The new season is here along with a new ice surface. As part of the new concept there will be no dividers. We are asking each team to take responsibility for their own rocks to help prevent them from going onto the next sheet. Sweepers should follow the rocks till they come to rest. If a takeout is being played the sweeper should stay with the stone that has been thrown (running stone) and the house skip should look after the rock that is being struck (stationary stone).

Communication between teammates and opposition is encouraged. This will help to keep everybody alert and 'in' the game. As the year progresses this will become second nature to everyone and allow us to enjoy the new improved ice.
