Manager's Report

As golf winds down, we can look back at a very busy season. Lots of rounds played by members and guests along with a very successful tournament year.

As we move into fall, there have been a few changes around your club that I would like to announce.

Stephen Grant has left us after a season as Food & Beverage Manager. I am pleased to appoint Marilyn Young, Patty Pfeifer and Simone Skalicky as supervisors of the Food & Beverage Department. This team will look after all your Food & Beverage needs so please give them your support.

Marilyn will handle your banquet and meeting bookings. She can be contacted through the front desk and will be available from 2:00 p.m. to 4:00 p.m. Tuesday through Saturday.

Sue Rein of front desk fame has left to move to Manitoba to be closer to family and we wish her all the best. Wendy Keldson

has joined us at the front desk and will continue a tradition of great service at the office.

Updating and improvements continue in the curling department and Murray, along with his crew, will have things in top notch shape for the season.

Shaping of the driving range area is nearly complete and hydro seeding, sodding and fencing will be taking place over the next month. The soccer groups will be vacating the area by mid-September at which time the construction of target greens etc. can begin.

As my first year as your general manager winds down, I would like to thank all members and staff for making myself and family feel so welcome to the club and city. We will continue over the years to improve any aspects of the club we can as to make it a better experience for all our members and guests.

Colin Kelly
General Manager

Prince George Golf and Curling Club

Annual Financial Statements

for the Year ended April 30, 1997

AUDITORS' REPORT TO THE MEMBERS

We have audited the combined balance sheet of the Prince George Golf & Curling Club as at April 30, 1997 and the combined statements of operations and surplus and changes in financial position for the year then ended. These financial statements are the responsibility of the Club's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

As explained in note 1 to the financial statements, the Club does not record depreciation on capital assets, and reduces capital assets, other than land, by the amount of their proceeds from disposal. Generally accepted accounting principles require that capital assets be depreciated, and that disposals of capital assets be recorded at their original cost net of accumulated depreciation. The effects of these departures from generally accepted accounting principles on these combined financial statements have not been determined.

In our opinion, except for the failure to record depreciation on capital assets, and except that disposals of capital assets are recorded in the amount of proceeds received rather than original cost net of accumulated depreciation, as explained in the preceding paragraph, these combined financial statements present fairly, in all material respects, the combined financial position of the Club as at April 30, 1997 and the results of its combined operations and changes in its combined financial position for the year then ended in accordance with generally accepted accounting principles. As required by the Societies Act of the Province of British Columbia, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The current year's supplementary information included in the Schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Combined Financial Statements

Year ended April 30, 1997

1. Significant accounting policies:

(a) Principles of combination:

The combined financial statements include the assets and liabilities of Prince George Golf & Curling Club, Prince George Golf and Country Club Ltd., and Prince George Curling Club Ltd. The net assets of these organizations have been combined as they are under common control and management. Investment and loans between these organizations have been eliminated.

All of the above organizations are exempt from income taxes due to their status as non-profit organizations.

(b) Inventory:

Inventory is valued at the lower of cost and net realizable value, with cost calculated on a first-in, first-out basis.

(c) Capital assets:

Land is stated at cost. All other capital assets are stated at cost less government grants and proceeds received on disposal. Donated capital assets, including donated services utilized in the construction of capital assets, are capitalized at the estimated fair value thereof.

No provision is made for depreciation of capital assets. The accumulated depreciation balance is a carry forward amount from the Prince George Golf and Country Club Ltd. whose policy prior to assumption of operations by the Prince George Golf & Curling Club in June of 1972 was to depreciate capital assets.

(d) Deferred revenue:

Deferred revenue represents golf dues received which pertain to next year's golf season.

(e) Membership fees:

Initial membership fees are recorded as equity. Annual dues are recorded as revenue.

(f) Financial instruments:

During the year the Club retroactively adopted new accounting recommendations for the presentation and disclosure of financial instruments. The adoption of these new recommendations has not changed the earnings of the Club as previously reported.

Where applicable, comments with respect to financial instruments appear in the relevant note. The fair values of financial instruments are indicated where they differ materially from their carrying values.

2. Restricted cash:

	1997	1996
Cash allocated for future capital expenditures	\$ 498	\$ 488
Funds held in trust	857,400	-
	\$ 857,898	\$ 488

Cash allocated for future capital expenditures is comprised of proceeds from the levy of assessments on members of the Club required, pursuant to a resolution by the Club's Board of Directors in fiscal 1995, to be set aside to finance capital acquisitions. Current year assessments in excess of capital acquisitions were applied to reimburse operating cash for capital acquisitions in excess of assessments in fiscal 1996.

Funds held in trust are comprised of cash generated from the sale of land to Kelfor Holdings Ltd. net of \$110,000 used to reimburse operating cash for capital acquisitions, and will be applied to the purchase of the Rotary Stadium lands from the City of Prince George (see note 3).

3. Land:

In prior years the Prince George Golf & Curling Club, Prince George Golf and Country Club Ltd. and Prince George Curling Club Ltd. entered into agreements with the City of Prince George ("the City") and Kelfor Holdings Ltd. ("Kelfor") regarding the sale and purchase of certain pieces of land. One of these lots was sold to Kelfor during the year for total consideration of \$967,400.

As part of the agreement with the City, Prince George Golf and Country Club Ltd. is required to purchase the Rotary Stadium lands adjacent to the golf course. The purchase price will equal the appraised value of this land and has yet to be determined. The date of purchase is dependent upon satisfactory arrangements being made for current users of the land, and is expected to be completed in the latter part of 1997.

Of the proceeds received from Kelfor, \$857,400 is being held in trust in a separate interest bearing account for the benefit of Prince George Golf and Country Club Ltd. to be used for the purchase as described above. The remaining \$110,000 has been drawn by the Prince George Golf & Curling Club to partially fund current and prior years' capital acquisitions. Upon completion of the purchase of the Rotary Stadium lands from the City, the \$110,000 will be converted to a loan, to be secured by an interest-free mortgage and repaid in equal annual instalments to the City over five years commencing on the first anniversary of the purchase of the Rotary Stadium lands. Any excess of proceeds received from the sale of land to Kelfor over the cost of the Rotary Stadium lands will be contributed to the City to assist with the cost of relocating current users.

3. Land, continued:

Any subsequent sale of the Rotary Stadium lands will be subject to compliance with the restrictive covenant imposed by the City on all the Club's land whereby the City has right of approval of sale, and proceeds must be used first to settle any registered charge against the land, second in payment of debts incurred in developing facilities on the land, and third to acquire or develop other recreational land as agreed to by the City.

4. Long-term debt:

	1997	1996
10% debentures	\$ -	\$ 36,200
Non-interest bearing debentures of \$1,000 each due sixty days after member ceases to be a member, maximum redeemable per year is thirty debentures.	206,000	199,000
Equipment financing, due November 1997 and February 1999 bearing interest at 10% and secured by various pieces of equipment.	6,668	10,575
	212,668	245,775
Current portion of long-term debt	3,550	40,006
	\$ 209,118	\$ 205,769

Estimated principal repayments over the next two years are as follows: 1998 - \$3,550; 1999 - \$3,118.

In the absence of interest terms and uncertainty of maturity dates, it is not practical to estimate the fair value of the non-interest bearing debentures. The fair value of similar instruments will normally vary according to terms to maturity and interest rates in comparison with market interest rates.

On June 1, 1972, the Prince George Golf and Country Club Ltd. and the Prince George Curling Club Ltd. ("the limited companies") combined operations to form the Prince George Golf & Curling Club ("the Club"). One of the terms of the combination was that shareholders of the limited companies may exchange each share for one paid up membership in the Club by transferring their shares to the Club. As at April 30, 1997, the following number of shareholders of the limited companies have not exchanged their shares:

	1997	1996
Prince George Golf & Country Club Ltd.	67	67
Prince George Curling Club Ltd.	17	17
	84	84

6. Commitments:

- The Club has a contract with its golf professional which requires payment of \$30,000 per year for a period of five years. The current agreement expires on November 1, 1998.
- The club is committed to the purchase of the Rotary Stadium lands from the City of Prince George (see note 3).

7. Subsequent event:

Subsequent to year-end the Club entered into a lease agreement for new computer equipment, calling for monthly lease payments of approximately \$1,900 for thirty-six months with an option to purchase the equipment at the end of the lease term for approximately \$6,100.

Repairing Ball Marks

Here is the proper way to fix a ball mark:

Push prong in ground at side of mark and push grass into center of mark. Do this all the way around the ball mark. When finished, tamp the area flat with the sole of your putter.

Reminder: Prime Time

Please note that prime time on weekends and holidays is until 3:00 p.m. If you do not have prime time golf dues, your tee time cannot be made until then.

1997 Prince George Men's Simon Fraser Amateur Tournament

The 1997 Simon Fraser Amateur was as exciting as ever. Mother nature cooperated by providing excellent weather with the exception of a slight breeze on Friday that seemed to blow the scores a little higher. The weekend included a fun night on Saturday which raised almost \$800.00 for Junior golf.

In the end George Noth of Burns Lake took the top prize after shooting a final round of 70. George started the day one shot back of Paul Kerbrat of Abbotsford and Tony Hatchwell of Stuart Lake. Congratulations to George on a great tournament. Shawn Carson was the low junior and finished sixth overall. We wish Shawn all the best at school in Louisiana.

We would like to offer a very special thanks to Prince George Savings for their generous sponsorship of this years tournament.

ALL DUES ARE SUBJECT TO G.S.T.

It's that time again!

Curling season is fast approaching and it's time to get your teams together for the upcoming season. As you have noticed, the dues are up slightly this year. The fee increase was necessary to help offset the costs of further improvements including dehumidifiers for both buildings and lights for the new building.

The Club is still offering discounts to encourage new curlers and for those who wish to curl in more than one league.

Please note the new registration rule that all members of the team be paid before that team will be entered on the draw. The deadline for payment is October 7!

Get your teams together and we'll see you on the ice.

Seniors Curling

Are you 50 years and over? Like to Curl? Female or Male we welcome you into our Tuesday or Thursday 1:00 pm curling league. We elect our own executive and run our own events. The main purpose of the leagues is to have fun curling, socializing after curling or at a number of special events held throughout the year. It makes the winter shorter and more enjoyable.

The league is comprised of good curlers, average curlers and beginners. The Tuesday and Thursday leagues have separate schedules and different teams which enable you to curl once or twice a week with different people. Last year there were 22 teams curling Tuesdays, which is the maximum, and 12 teams on Thursday. It would be great to expand on Thursdays to at least 16 teams.

If you have curled in prior years and haven't thrown a rock for years, come on out. If you are a good curler you may be able to skip. If you haven't curled and would like to join, we welcome you. Skips are selected and they then choose their 3rds in rotation. 2nd and leads will be drawn from a hat.

We begin curling in October and finish in early April. The cost this year is \$130 for non club members and \$100 for club members. If you want to curl both days there is a substantial discount. Leagues cost money to operate mainly for prizes and in previous years, money was raised by hockey pools. Hockey pools will be eliminated and replaced by a registration fee which will not be more than \$10.

Don't worry if you usually have a winter holiday, many of us do. With a little luck, a spare will fill in for you.

To register, inquire at the front office of the Club in early September.

See you on the ice.
