## Manager's Report

Welcome back to all curlers, especially the new curlers to the club. Your curling coordinator, John Thompson, is working long and hard to ensure great fun and great curling to all this season. Watch for Food & Beverage specials as well as special entertainment and fun happenings over the winter.

Please take a couple hours out of your busy schedule and support your club by attending the Annual General Meeting on Thursday, October 15 at 8:00 pm. Your attendance, participation and feedback is the best way for your club to continue to grow and best satisfy your needs while at your club. On behalf of all members, staff, management and myself, I would like to take this time to thank the Board of Directors: Ron Magrath, Greg Ames, B.J. Gair, Ron Phillips, John Row, Bud Burbee and Art Robin for their direction, advice and input into the management of our club. Your hard work and dedication is a major part of what makes the PGG&CC the special club that it is.

A special thank you to B.J. Gair who is retiring from the board. Your many years involved with the club have contributed much to all present and future club members. Thank you.

As the golf season flows into curling, I look forward to a period of continued improvements in all levels of the club. Your management is working hard to make sure the experience that you and your guests have when you are at the club is the best it can be. There will be some small physical changes over the next period of time which will include moving the curling office to the main lobby to better serve our curlers. John Thompson (Curling Coordinator) will be combining offices with the catering department to better serve and coordinate curling events over the season. When curling is over for the season, desk & office space will be available to golf tournaments over the summer.

From the staff and management, congratulations to all tournament committees for a job well done.

Also to all members and guests, thank you for your input, patience and patronage. This is your club and we are here to serve you and to make your time spent here an enjoyable one. Please keep the feedback coming, positive as well as the other. It is the one we concentrate on and are planning to reduce to the lowest level possible.

## From the Construction Superintendent

This years construction projects, #2 green and #18 green, went very well with no major problems or hold ups. We were particularly happy with the way the sod for the greens went down. We tried a couple of new things this year and they worked very well. Different from years past, this year in an effort to get the sod down as smooth as possible, we first rolled the sod with a double drum ride-on roller. We then cut the sod just below the thatch line and while the sod was still on the ground, we rolled it again with the double drum roller. This removed all foot marks and wheel marks from the operator and sod cutter. The sod was then cut into 4 foot lengths rolled up and transported from the nursery at #14 to the individual greens.

After the sod was laid and rolled in place, we mixed sand and seed and filled every seam along the edge of each piece of sod. This was tedious and time consuming but believe me, our efforts will end with a smoother putting surface earlier in the upcoming golf season. We are looking forward to having you play these greens. There are some great pin placements and should be a great test of golf. As always, thank you for your continued patience while construction of your golf course is under way.

**Murray Kutyn**

## From the Superintendent

The course is being made ready for the upcoming winter. Greens, tees and fairways are being aerated and topdressed. Fungicide applications are being applied to greens and tees. The irrigation system will be blown out starting on October 19.

It has been a great golf season. I hope you all enjoyed it and have a good winter.

**Stephen Kerbrat**  
Course Superintendent

Prince George Golf and Curling Club

### Mission Statement

*Our mission is to provide quality  
year-round recreational opportunities.*

### Values

*We are the pre-eminent provider of  
golf and curling facilities.  
We are committed to our members' and  
customers' satisfaction in our  
clubhouse facilities.  
We take pride in the professionalism  
of our employees.*

## From the Food & Beverage Director

There is a heavy fog on the course, frost on the greens and a definite chill in the air as the Prince George Golf & Curling Club and the Clubhouse prepares to say goodbye to another summer season of golf. The ice is being installed in both buildings, we see brooms and sliders instead of burgeoning golf bags and all through the clubhouse, the shorter days and lengthening nights signal a change.

As our facility begins to shift emphasis from Golf to Curling, our Food & Beverage department will face new challenges brought on both by the Christmas season and the demands of the curling membership.

We would like to thank those members and guests who have supported both the restaurant and the lounge with their patronage and their pointing out of opportunities by which we may improve both what we offer and how we deliver it. The next few months will see a few physical changes to the dining room and the lounge setup, which we believe will make us more effective in serving our members and their guests as well as creating a better atmosphere in the room at large.

A new menu will be introduced in late September with substantial changes made to the evening menu and a few changes added to the lunch menu. Breakfast specials will be offered during the early hours of daily operations and we will be changing to a Starbucks whole bean coffee system in the clubhouse. We hope that some of these changes will allow us to continue to grow as a department and keep us improving in the eyes of the membership we serve.

September 19th was our evening in Florence gourmet night and despite a few last minute cancellations, the evening was an unrivalled success for the staff and the fortunate guests who attended.

Susan again demonstrated quiet confidence on the plate, her presentation subtle and sure. The service staff merit accolades for their calm and attentive service, their timing more than a small part of making the night what it was. The wines were exceptional showing certainly the best of many aspects of Italian viniculture, the room was stunning in simple white and gold and the port and cigars were certainly almost as exquisite as Lana Ryan's dress.

The next in our series of gourmet nights will take place on November the 14th where the menu will feature a selection of fabulous seafood from around the world. Tickets are on sale at the reception desk for \$59.95. You may pay by cash, charge card or we will certainly bill your member account. We look forward to seeing you.

We will be holding a Halloween brunch on Saturday, October 31st and Sunday, November 1st. Prices and menu are still being finalized so please check our "Club News" bulletin boards

or simply inquire at the reception desk for further details.

We will be holding cooking classes during the winter months at the clubhouse offering both demonstration and hands-on classes taught by both Susan and Gary from bread baking to appetizers and Christmas canapé platters.

Interested in wines? Ask about our Members' Reserve Cellar List. We will also be starting a wine club with some wine seminars, tastings for beginners and more advanced wine lovers.

Remember the twenties? Well you will on New Years Eve with our Twenties Bathtub Gin Party complete with swing music, machine guns and flapper girls.

We foresee a busy season at the clubhouse over the next few months and again look forward to your patronage and participation in what we hope will be a watershed year for the clubhouse here at the Prince George Golf & Curling Club.

So as we rush to play our last few rounds in the lengthening afternoon shadows of Indian summer or stand in the chilling morning cold held back by frost breath misting grey in the air, remember the clubhouse is always warm, our season never ends and we as always look forward to seeing you.

Gary Edmunson

Director of Food & Beverage

## Club Captain's Report

As our season comes to a close as well as my tenure as your Club Captain, I would like to express my appreciation to some specific individuals who made my job an enjoyable one.

Laurie Pierce and his staff who are always there when needed and help make our various tournaments succeed without too many hitches.

To Kevin Bowman, Chris Cooper, Glen Bryant, Mike Mesic and Doug Engstrom Jr., my sincere thanks to each of you and your committees for making all our tournaments successful once again.

Denis Dunkley, Marcia and Darrell Martinson - not enough can be said about the success of our Junior Golf program. From myself and the parents, thank you so much.

Without the office staff, our tournaments would not be as easy to run as many of us assume. Tammy and Wendy are always cooperative and on top of everything. Thank you both.

To Steve and your staff, thank you. It is not an easy job.

To all other staff and members, thank you for your cooperation and encouragement at all times.

Mike Jenkins will be your new Club Captain for 1999. Have a great winter.

Sincerely,

**Dave Lloyd**

Again, thank you and enjoy your winter.

## 1998 Farr/WIC Two-Ball Tournament

Another labor day weekend has come and gone and so too has the 25th Annual Two Ball Tournament. This year's tournament was a continued success much to the relief of the organizing committee.

For the nine years preceding this year's tournament, the event was organized by the "Burden Bunch" and namely Ivan Jorgensen and John Outhet. Thank you to John and Ivan for assisting us in making this year's transition relatively smooth.

I would like to extend the usual kudos to Laurie Pierce and his staff, Murray, Tanya, Gary and their staff in the dining room, Tammy, Wendy, Martina and Ashley of the front office for all their help.

A special thanks to Ray Fortier and Bob Cartwright for their generous support again this year. In addition to the tournament prizes, our sponsors are generous in their donations of draw prizes, most significant being a trip for two to attend a Vancouver Canucks/Colorado Avalanche hockey game in Vancouver. This prize certainly proved popular with this year's winner - Paul Blattner of Vanderhoof.
