Rules Quiz: A player's ball lies on the fringe of a green. Prior to putting, the player removes, by hand, sand from the fringe and from the green between his ball and the hole...

- A) There is no penalty for removing loose impediments.
- B) There is no penalty for cleaning the line of putt by hand.
- C) There is a two stroke penalty

Answer is C: There is a two stroke penalty because sand is a loose impediment only on the Green.

Tribute

Saturday, June 5/99, a memorial service was held at the Legion to celebrate the life of our dear friend Al Engstrom.

Wilf Peckham gave the eulogy, reminding us who knew Albert of his numerous accomplishments and virtues. One point Wilf made was that he had never in his long association heard Albert speak ill of anyone.

Sometime later, I brought this point up in conversation with Ed Goodkey and added, "I have never heard anybody say anything bad about Albert". Ed's immediate reply was, "Not even when he was the icemaker!"

Quite an epitaph!

1999 Mr. RRSP Texas Scramble

We had another successful tournament with 56 teams playing this year. Everything went smoothly and a fun weekend was had by all. Congratulations to all the flight winners!

Next year we hope to change the format a bit and play the course short as well as having more entertainment.

As we all know, none of this would be possible without the help and support of our sponsors.

COUNT ON US

Golf News from your Club Captain and Golf Director...

Many members working hard make The Club the facility that it is and these people deserve recognition from all of us. Last month, the names of the members of the Golf Committee along with their terms of reference were listed. This month we would like to thank and recognize some of the individuals who have been working on our behalf.

1. Findlay Young for organizing the rules seminar on June 13. Unfortunately, only a few members showed up for this informative session. Findlay would be willing to bring a BCGA rules committee person to PG for a similar presentation in late August. Is there any interest? If so, notify Findlay, Mike, Laurie or Bud.

2. Doug Engstrom Jr. and his committee, along with Laurie Pierce and his staff for a successful Texas Scramble tournament on May 29 and 30. This has become one of our most prestigious tournaments, thanks to the work of people such as these.

3. Bob Miscovitch for organizing Men's Night every week over the summer. Bob puts in many hours on behalf of men's golf and I suspect gets little thanks from those of us who enjoy the results of his many volunteer hours.

4. All the sponsor of Mens' Night Golf (to the end of June):

The Pro Shop - Laurie Pierce	Pacific Western Brewery
Havana's Tobaccos	BC Tel
Okanagan Springs	Molson's
Carpet One	Mr. RRSP
CJCI/CIRX	Mark Anthony Brands

There have been some rumblings of slow play by a few golfers. By far the majority of our members appreciate a quick round and view slow players as inconsiderate. As a member of The Club, it is the responsibility of each of us to press for

From the Golf Course Superintendent

On Monday, June 21st, the Green Committee arranged a Sand & Seed party for the evening. There was a great turn out and it was especially nice to see so many Junior golfers out to help. I would like to extend a special thank you to everyone who participated. The golf department truly appreciates your efforts. It's nice to see so many people interested in the well being of their golf course.

Thanks again!

Pro Shop News

Finally we have some nice weather. The course is coming along and should be in great shape as you read this. It has become busier and we ask for your patience with the weekend bookings.

TIP OF THE MONTH

We have noticed a lot of people having grip problems in how they hold it. The club should lie across where your fingers join your palm. Many people are letting it slip up into their palm creating wrist cock and release problems. So grip with your fingers and hit it not only straighter but further.

RULES QUIZ

In singles match play, the players share a motorized golf cart. In searching, the moving cart strikes and moves a player's ball. What is the ruling?

-There is no penalty if the moved ball belonged to the player not driving the cart.

-There is no penalty regardless of who was driving because the ball was moved during search.

-The player driving the cart loses the hole. *Answer on back page*

Business Ladies Golf

It's hard to believe that July is already here. We continue to pray for sunny, warm golfing days. So far we have only managed to have 2 CLGA rounds. Since the last article, two of our golf nights were cancelled or became 9 hole events due to the rainy weather we've been experiencing. Our Lad Construction, Captain's Cup and Carpet Max matches are now underway. We would like to thank Mary Germaniuk for organizing a spectacular Gerry Carmichael Memorial 2 ball-best ball tournament. Congratulations goes to Gwen Jenkins as she aced #5!

On behalf of all Business Ladies, we would like to convey our condolences to the family of Joe Paolucci. Joe was one of our sponsors and a strong supporter of the Club. He will be missed.
