Curling Report

It's the 3rd week of curling, golf is all but over except for the hardest of golfers and snow is just around the corner.

Curling is moving right along but we have an odd number of teams in the Wednesday & Saturday Rec. Leagues. We are looking to fill out these leagues so please let me know if you would care to join up.

Wayne Colliss, the Junior convenor, has found some help from Joanne Rebagliati, Warren Hall, Gary Blanchett & Bill Lim.

Shirley Barnett, the Little Rock convenor, is getting help from Joanne Wilson, Joe Rea, Mary Ann and Don Nitz. Give them all a big thank you and a pat on the back next time you see them.

I know everyone in our Club realizes how important these two programs are.

COUNT ON US

PRESIDENT'S REPORT

On behalf of the members of the Club, the Directors and myself, I want to say "Thank you" to the departing directors. Ron Magrath, Greg Ames and John Row have worked hard on our behalf and deserve recognition for their time and effort.

The golf season is behind us until spring. Thanks to Laurie Pierce and all the Pro Shop staff for all they did in making this a smooth season. Thanks to Murray Kutyn, Dave Lister and the maintenance crew for achieving the level of playing conditions we enjoyed, even in a season of poor weather for golf courses. With some alternate methods for wintering greens and the prospect of hosting the BC Amateur Tournament in 2000, there is even more optimism for the next golf season.

Curling leagues are well under way. The closing of the Old Rink for this season reflects a drop in the number of curlers and was an economic necessity as numbers do not warrant putting in and maintaining ice. Members should be aware that the equipment is still in place there and should numbers in the sport increase, the facility could be pressed into service again. The Scott Tournament of Hearts will create a high profile for the sport this winter and positive spin-offs for curling are anticipated from this event.

As you may be aware, the Directors are in the process of selecting a General Manager for the Club. A special thanks is due to Murray Kutyn, Andrew Adams, Jordan Kanke and Laurie Pierce for making the cooperative management model work over the past year. They gave your club extra time, extra effort and took on extra responsibilities for the benefit of the members and for this we sincerely thank them.

I am enthusiastic about working with the new Board of Directors. There are tough decisions to be made and the Directors invite you to offer suggestions and advice. This is a great club with great people as members and employees. Let's support it, promote it and most of all, enjoy it.

Bud Burbee
