30TH ANNUAL MIXED BONSPIEL

The Mixed Bonspiel was held January 21, 22 & 23 with 38 teams competing. The weekend was loads of fun!

Thanks to John Thompson for a great draw and to Murray and his ice crew for the early hours and hard work to provide us with the excellent ice we had all weekend. Susan and the kitchen staff provided the delicious meals and thanks to Jordan, Maxine and all the restaurant staff for the wonderful service.

You really had to be there on Friday night to appreciate the "Mascarr" auto races. This fun event was sponsored by Sheila Arnett of National Financial Bank and the race track was provided by L.A. Promotions. This was a 26 foot racing oval with radio controlled race cars and yet, it did fit in the OK Room. Some people never did make one lap before the winners had claimed their "prize". Ron will have the pictures soon.

The winner of the main prize in the Elimination Draw was Susan Swanson. This sightseeing flight was donated by Glacier Air; thanks to Brian Marynovich. Other generous sponsors for the Elimination Draw were Island Alpine (Mike Sharratt), College Heights Pub (Tom Brazil), Carpet Max (Tony Brbot), Aspen Grove Golf Course (Lynn Norbraten), The Keg Steakhouse and Molson Breweries.

Our major sponsor for the prizes was Northern Hardware & Furniture; thanks to Ted Moffat. All prizes were gift certificates and the feedback on this new concept for prizes was very positive. It has always been very tricky to purchase merchandise prizes for this bonspiel with both men and women selecting.

The teams that were 1st and 2nd out of the bonspiel received prizes donated by Carpet One (Dave Lloyd) and L.A. Promotions (Lorie Atkinson). The curlers will be a tiny bit unhappy with me if I printed their names but lets just say the 1st out was Rick F.... team.

On Sunday night all participants that were present at the awards ceremony had a chance for some really great door prizes. The winner of the beautiful golf sweater donated by Laurie Pierce Pro Shop was Carol Knight. Chuck Parnell won the Mother's Day Brunch for 4 at the PG Golf & Curling Club. The winner of the coveted deluxe weekend accommodation and golf package at the 108 Resort was Geraldine Burbee.

It was wonderful to see so many junior curlers participate in this event. There were 7 teams that had at least one junior. Brette Richards skipped her way to 3rd in the "B" Event. Rae-Ann Schouwenburg (with 3 juniors) and Diane Dalio (with 2 juniors) finished 2nd in the "C" and "D" events respectively. This is our future.

Congratulations to the following prize winners and many thanks to the trophy sponsors.

FROM THE RESTAURANT & LOUNGE

At this time, on behalf of the entire Restaurant staff, I would like to thank the Board of Directors for giving of their time to our Staff Christmas Party. They all did such a wonderful job looking after us and we all certainly appreciate the fantastic service.

The Clubs New Years Eve Party was well attended, the room tastefully decorated and the 6 course dinner was a smashing success. The music was perfect for the occasion and the fireworks presentation was a memorable addition. We heard countless warm compliments on our service, quality of food and the overall atmosphere. We will be determined to outdo ourselves next year.

As we move forward this year we all will be striving to make our establishment better by focusing on two main points, the best service and the best product. We are committed to achieving these two goals; it may take time and we may have some hiccups along the way but we'll get there.

Thank you to all the members for without you, the most important people, we would cease to be! Cheers!

Jordan, Maxine & the team

THANK YOU!

On behalf of the District 10 - Cariboo, I would like to thank the following individuals who volunteered their time to officiate at the Ladies Zone Playdowns in Prince George on December 4th & 5th, 1999:

Denise Bissonnette	Gary Blanchett
Rick Cunningham	Linda Curle
Shirley Huculak	Mary Lund
Mac McDonald	Dorothy Pratt
Rob Prideaux	

Without your help, it would not have been possible to host this competition. Once again, thank you!

FROM THE ICE TECHNICIAN

In last month's *Georgian*, we ran an article from Thompson Curling Supplies describing different types of granite used for curling rocks. The same article also explained the processes used to recondition curling stones. We would like to make this information available to you as well. I hope this is of some interest.

FOR CURLING RINK EQUIPMENT

WHAT IS THE DIFFERENCE BETWEEN TILESET/AILSET AND TILESERT/AILSERT CURLING STONES?

There is no difference in the way the stones run, because they have identical running edges and cups and identical material when setting or inserting the stones.

There is a significant difference in the price, (\$520.00 per sheet less for Tileset/Ailset) and if the Ailsert process is supplied by the competition, the difference is over \$1,000.00 per sheet of stones.

The Tileset/Ailset process, protected by our patent #2,083,446, is installed in the following manner:

We slice 3/4 inch of granite off one surface of the club's curling stone and using a special granite epoxy adhesive we adhere a disc of Porcelain tile of Blue Hone Ailsa Craig granite to this surface. We then reshape this surface, providing a 5-inch diameter running edge with 1/4 inch depth cup. When the polishing is completed and while the stone is rotating in the chuck, we touch the surface of the running edge with a 6-1/2 inch square machined brass plate. The brass transfers a thin line onto the running edge, and by examining this line, we can assure that the running edge is perfect. Should there be any problems in the grinding or polishing, the brass line would be irregular, which is usually caused by a worn bearing.

The following are some very elementary reasons why Tileset/Ailset is superior to Tilesert/Ailsert:

On a Tilesert/Ailsert, the inserted disc material (Tile or Blue Hone) has a different expansion and contraction rate to that of the stone to which it is attached. This could cause a very

serious problem if the spacing between the inserted disc is not perfectly centered. This is not a problem with our patented Tileset/Ailset.

The seam of adhesive on a "Tileset/Ailset" stone is around the shoulder of the stone and away from the ice surface.

The seam of adhesive on a "Tilesert/Ailsert" stone (6 1/2 inches diameter) is very close to the running edge (5 inches diameter) therefore, it is possible to get damaged and become dislodged.

Also, when pressing the "Tilesert/Ailsert" disc into the cored hole of the stone, air tends to get trapped in the adhesive leaving voids, which in turn causes the bond to be weaker than that of the Tileset/Ailset.

Also, with the "Tileset/Ailset", the dense material is a complete slab all across the bottom of the stone nullifying chances of fractures.

The Blue Hone granite has been quarried from the Island of Ailsa Craig but this Island has now been designated as a bird sanctuary and quarrying has not been allowed for some years.

MORE ABOUT PORCELAIN CERAMIC RUNNING SURFACES FOR CURLING STONES

Due to the closing of the quarry on the Island of Ailsa Craig in Scotland, we have been searching for a granite that would be as suitable or better than the Blue Hone granite now being used for running surfaces of curling stones.

In 1993, we discovered a very dense granite which was quarried in Eastern Canada and after extensive testing found it to have the same qualities as Blue Hone. Since there still was an abundance of old, mismatched, chipped Blue Hone curling stones available, we decided to purchase them from curling clubs and recycle them by cutting them into slabs for Ailsets and Ailserts.

I estimated that there is still enough of these old Blue Hone stones available to supply our requirements for another couple of years but they are becoming somewhat difficult to find.

We could still rely on the supply of the granite from Eastern Canada, but since this quarry is not presently in production it would have been expensive for us to have it re-opened.

Along with our search for a suitable or better granite, we have also been continually searching for other materials to be used for the running surfaces. This included a variety of composites and alloys.

After extensive testing, "Porcelain Ceramic" proved beyond our expectations to not only be as suitable as the Blue Hone granite, but far superior to it.

Here are the specifications and reasons that prove the Porcelain Ceramic to be superior for use as a running surface for curling stones:

1. Extremely low moisture absorption, less than .03%.
2. Unbelievable abrasion resistance.
3. No calcium deposits, (white specks), to become dislodged causing inconsistent running of a curling stone.
4. Endless supply for the future.
5. As the supply of Blue Hone granite diminished, the price increased, therefore the cost may have soon become out of reach for most curling clubs.
6. Incomparable fracture resistance (guaranteed for an extra 10 years).

If you have any doubts about the durability or wearability of Porcelain when used on curling stone running surfaces, consider and compare it in the following applications:

1. Protective shielding against extreme heat and cold (on the US Space shuttle).
2. Flooring for manufacturing plants and warehouses where heavy production machinery is used. Also where solid rubber and metal wheeled forklifts are used.
3. Lining for industrial furnaces and foundries.
4. Tools, jigs and abrasives.
5. Turbine blades, precision instrument parts.
6. Artificial teeth and bones.
7. Light emitting and laser diodes.

Considering all of the above information, if there still is any doubt in the minds of curling club executives about choosing Porcelain tile instead of Blue Hone, we would urge that they wait one more season before resurfacing their stones. We will supply two or more Tileset stones free of charge for trial next fall.

PRESIDENT'S REPORT

As of December 15, 1999, the Club has a new General Manager, Denis Dunkley. Denis brings much to the position in marketing knowledge, food and beverage experience, golf and curling participation and an enthusiasm for the continued success of your Club.

The New Year, New Century, New Millennium Party was very successful. Some 110 guests enjoyed a splendid meal, gorgeous decorations, fireworks, dancing and the company of many friends. Thanks to Jordan, Maxine and all the staff who prepared and catered for this special event.

The Board strives to direct the Club for the satisfaction of you, the members. A major aspect of member satisfaction is for the Club to gain and maintain financial well being. The past 4 months show encouraging upward trends.

In the area of memberships:

1. The Board invited individuals holding corporate memberships for an exchange of ideas and intends to implement some changes as a result.
2. A "sale" of memberships is underway in order to increase the number of active members.
3. Consideration is being given to make necessary changes to permit the transfer of memberships to family members.

The Board feels changes are needed in the area of membership which will be a benefit to the Club. Some will be received, others may not, but changing times demand changing practices. A definition of INSANITY may be "Doing the same things over and over again expecting different results". (Curl BC quote)

Good curling to all as the season enters the home stretch. Golfers may be grooving that swing in the Winter Golf School and hoping for great weather and playing conditions for the 2000 season.

Enjoy your Club. It's a great place to be.

Sincerely,
Bud Burbee

SCOTT TOURNAMENT OF HEARTS "CASH FOR CURLING"

The Prince George Golf & Curling Club will be collecting UPC symbols from packages of Scott Paper Products to help raise money to promote our Junior Curling Program.

With every UPC symbol collected, the Club will receive \$.10 up to a maximum of \$1,000.00. If we collect more UPC symbols than any other curling club in BC, we receive double the amount.

UPC symbols can be dropped off at the front desk up until April 30, 2000.

Your support is greatly appreciated!

MEMBERSHIPS

There is a growing concern about the transferability of personal memberships from parent to son, daughter, grandson, and granddaughter. Currently, the bylaws stipulate that a personal membership cannot be transferred. To change this bylaw the member must vote for a change at a special membership meeting or at the Annual General Meeting.

The Board of Directors have proposed that as an interim measure, the member take advantage of the membership special of a \$500 initiation fee and a \$1000 debenture, payable over 2 years. This new membership and the membership that is intended to be transferred, are active memberships and are entitled to full Club benefits and must pay the monthly assessment. If the members vote in favor of the ability to transfer a membership, the \$500 deposit on the new membership will be applied against the transfer fee set by the Board of Directors and the new membership will be cancelled. If, however, the membership votes against the ability to transfer memberships, the new member has two options:

- 1) maintain the new membership by continuing to pay the membership fees and the outstanding balance,
- 2) cancel the new membership.

We feel that this is a fair compromise in the transferability of memberships until we can propose it at the Annual General Meeting. There is going to be a membership survey handed out in the near future and we look forward to hearing from you about this issue as well as any others covered by the survey.

Yours truly,
The Board of Directors

HOT SHOTS

As part of the Scott 2000 festivities, a "Hot Shots" competition was held for all lady curlers at our club. This skills competition consisted of a draw to the button, double takeout off the button, tap back and hit & roll. An invitation was extended to all curling facilities in the area in hopes that each facility would have one finalist. A playoff with all finalists will be held in Prince George during the week of the Scott Tournament of Hearts with the final being held on February 27th.

The local competition was held on December 7th with the following ladies participating:

Linda Curle	Diane Dalio	Lisa Eberherr
Kerry Kilden	Dianne Kjørven	Patty Knezevic
Ruby Lindstrom	Lois Marr	Maureen Megale
Suzanne Minck	Blaine Richards	Brette Richards
Diane Sweet		

Linda Curle and Lisa Eberherr tied for total points which required a playoff. I am pleased to advise that Lisa Eberherr will be representing our club at the area playoffs next month.

Good luck Lisa and many thanks to the above ladies who participated in the event.

WINTER SPORTS CO-ORDINATORS REPORT

Well, the Scott Tournament of Hearts is drawing closer, February 19th is just around the corner.

Our referendum showed overwhelming response to cancel curling for the week of the Scott's so please check your schedules for return dates.

Curl BC is putting on some seminars during the week of the Scott's:

- "Designing your Game Plan" will focus on developing a game plan to take advantage of your team skills. It will be held on February 23 from 12:00 noon - 2:00 pm.
- "Mental Toughness Skills" is to evaluate and improve mental skills for curling and will be held on February 24 from 12:00 noon - 2:00 pm.

Both workshops will be held at the Prince George Golf & Curling Club for a nominal fee of \$10.00. For more information or to register, contact Chris Hale or Lyle Hensrud at 964-9164.

Until next month, good curling!

ATTENTION MEMBERS

The 2000 golf season seems a long way off, but the dues have been set and are listed below.

2000 ANNUAL GOLF DUES

	DUES	GST	TOTAL
PRIME TIME	785.40	54.98	\$840.38
SENIOR PRIME TIME	678.30	47.49	\$725.79
SENIOR NON PRIME TIME	591.60	41.42	\$633.02
JUNIOR MEMBERS	188.70	13.21	\$201.91
JUNIOR NON-MEMBERS	214.20	15.00	\$229.20
INTERMEDIATE	448.80	31.42	\$480.22

NOTE: Senior rates apply to those individuals who are 65 years of age by March 31, 2000.

The Board of Directors has decided to offer the membership another option to purchase your golf dues for the 2000 season. Members will have the following 3 options to choose from to pay their golf dues:

1. You may pay your dues as well as the balance on your statement from the previous month, in full, by cash, cheque, visa or m/c.
2. You may put your dues on your account and pay the entire balance of your account off by March 31.
3. Members can charge their dues on their account and not have to clear it up by March 31 only if they are in good standing (account balance has not been over 30 days.)
 - There would be a \$75.00 financing charge.
 - Interest would accrue as normal.
 - We would require 3 post-dated cheques or 3 post-dated credit card slips with the first being dated March 31 for 40% of the balance, the second dated April 30 for 30% of the balance and the third being dated May 31 for the remaining 30%.

We hope that being given these options that it makes it easier for our members to purchase their dues this year.

MARCH 31, 2000 IS THE DEADLINE TO ENSURE GOLF PLAYING PRIVILEGES FOR 2000.

GOLF MEDICAL EXCEPTIONS

Golfers unable to golf due to a medical condition must contact the General Manager immediately upon being disabled to golf. A doctor's note is required to obtain a medical exemption. Reinstatement of golf privileges will result during the season if member is able to resume play. Failure to notify immediately may result in the loss of your refund for golf dues.
