Manager's Report

Golf:

Unfortunately the golf season is almost done for this year. It has been a great run. Despite the weather, we have had more than 40 thousand rounds of golf played on our course this past season.

We are getting ready to winterize the golf course. Tarps have been made - the flax straw is here - the fungicides are in stock - the only thing that we are waiting for now is the right weather conditions.

We are seeking professional guidance on the safety issues surrounding the new practice green and the area around #7 green and #8 tee box. As soon as we have a solution in place, the areas affected will be brought back into play. These improvements are scheduled to be completed before the next golf season. Thank you for your co-operation.

For those of you who might have missed the earlier announcement, Ted Locke has been retained as our architectural consultant to help us design a golf course which we all can be proud of. The consensus at this time is that all major reconstruction will be put on hold until an overall plan is put into place.

Jim Ross, from the Prairie Turf Grass Research Centre, was here on October 5th. His preliminary comments were very favorable. He indicated that the health of our turf has improved to a point beyond where he expected it to be at this time. It appears that we are headed in the right direction.

Thanks to Murray, Laurie and their staff for a great golf season.

Restaurant and Lounge:

We are introducing some new features. Starting in November we will be introducing a "Breakfast Club". Participants will have the opportunity to win a trip for two to Vancouver. The package includes accommodation, flights, two tickets to a Canuck game and a Grizzly game. See Maxine for your Breakfast Club membership card.

The restaurant and lounge management has been realigned. Maxine is the manager and J.C. Brown is her assistant. Kevin and the kitchen staff report to Maxine or her designate. In an effort to achieve our goal of high quality product and service on a consistent basis, Maxine, J.C. and Kevin will be enrolled in seminars designed to help us reach our goals.

Membership discounts and a new menu are slated for implementation in early November. A representative from our software supplier has been brought in to assist us in completing these tasks.

Curling:

I apologize to you, the curlers, for any inconveniences that you may have encountered thus far in the curling season. Tammy,

Murray and J.C. are working hard on eliminating all the challenges that they are faced with. Your assistance in providing information to them as soon as it's available would help immensely. Thank you.

We have introduced "Name That Tune" to Friday nights at the club. It is a fun filled game, which will add a lot of fun and excitement for everyone to enjoy.

As always, my door is open for you to stop by and let me know about any concerns that you may have.

Denis Dunkley
General Manager

10:00 am - 5:00 pm

Great savings for the golfer in your family.

Lots of Clear outs and sales!

Junior Development Camp and Seminar

Thirty-five junior curlers as well as coaches and junior coordinators from Northern BC attended the Youth Development Camp and Seminar held at the Prince George Golf & Curling Club on Sept 30 and Oct 1.

Regional Development Coach, Sharon Delver, and Provincial Course Conductor, Kevin Rouck, instructed the highly successful camp and seminar.

The junior camp on and off ice sessions focused on delivery development, mental preparation, sweeping, communication, strategy and team building. The teams applied these skills in game situations. The coaches and instructors were impressed with the hard work and dedication of the young curlers.

Patti Knezevic (nee Thompson), skip of the 1993 BC Provincial Junior Ladies Champions was guest speaker. She shared her experiences and thoughts as a junior and competitive curler. Her inspirational message captured the attention of the young curlers. Her presentation was outstanding.

Kevin facilitated the Youth Development Seminar. There was a great exchange of information and ideas. The coordinators left the session enthusiastic about the future of junior curling in their clubs.

The staff at the Prince George Golf & Curling Club did an excellent job to help ensure the weekend was a success. A special thank you to Anne Davidson for all her assistance. Everyone had a great time. We look forward to having similar camps in the future.

Lyle Hensrud and Chris Hale
Curl BC Regional Administrators - Northern Region

WINTER GOLF SCHOOL

Jan 4, 2001 - March 30, 2001

Includes: 5 Lessons & Unlimited hitting of balls Open 8:00 am - 9:00 pm 7 days a week

The best way to improve your game for next spring.

Call the Pro Shop at 563-4417 to register.

Scots Cup September 23, 2000

With a near record turnout of 100 gregarious golfers, the 18th Annual Scots Cup got underway to blue skies, mild temperatures and all in all a beautiful day. The course was in fine shape - the greens not too fast but true. The competition was fierce with some amazingly good scores. The overall winners were Jack Stevens, Darrel Martinson, Anne Dombowsky and Kay Goodkey with a Gross score of 65 and Net 43.75. Did they play the same course we did? Many of the other team scores were separated by decimal points.

Our sincere thanks to the Pro Shop staff: Laurie, Geof, Chris & Cindy; to the Dining Room ladies for their help and generous support of this tournament; to Marj Niehaus, Nancy Young, Pat Sweet and Jim Sadowsky. Many, many thanks - your help was greatly appreciated.

Thank you all for coming and see you next year.
Findlay Young

Winners Jack Stevens, Anne Dombowsky
Kay Goodkey, Darrel Martinson

2nd Mike Jenkins, Liz Sadowsky
Rick Johnson, Lois Marr

3rd Ed Goodkey, Mary Row

April 7, 8	Clearlake Sawmill

From the Curling Department

As you know, the rocks from sheets 5 - 8 have been sent away to have new ceramic inserts attached.

We have been asked why we didn't send them away during the summer months. During last year's final bonspiels, there were numerous complaints about the trial (ceramic) rocks that we were using on sheets 2 and 3. The trial rocks with granite inserts arrived at the end of the season, too late for a proper assessment.

The Curling Committee agreed that to make such a large purchase that we had better be well informed. At this time most curling clubs were closed and we wanted to speak with clubs that had purchased new curling rocks from our intended supplier. With 4 sheets of rocks available from the old building to use, we thought it prudent to delay the decision until we could speak with these clubs.

We have decided to purchase the ceramic inserts for several reasons: a 20 year warranty as opposed to 10 year for granite and the success from clubs that have purchased them. Victoria Curling Club researched their purchase for more than a year and have now played a complete year with them and are very pleased with the results.

The rocks are currently in transit to Winnipeg and will require approximately 8 working days to apply the new surfaces. We hope to have the rocks back in play by mid to late November.

Please remember that the rocks from the old building are over 35 years old so there will be some inconsistency in shots but also remember that up until last year we all had to play in the barn at least once a month and faced the same challenge. Lets treat this as a challenge; heavier in the early ends and swingy in the later ends.

Let's have fun and look forward to the new rocks next month!

Murray Kutyn
